WELCOME TO SLURRY LIVE

THE FUTURE OF SLURRY MANAGEMENT STARTS HERE

Slurry Live is Ireland's dedicated slurry management event, bringing together farmers, contractors, advisers, researchers and industry leaders to explore the latest innovations, technologies and best practices shaping the future of the sector.

Taking place shortly after the closing of the slurry spreading season, Slurry Live provides a focused platform for knowledge sharing, innovation and industry connection.

Through expert led conference sessions, industry discussion and a specialist exhibition, attendees will gain valuable insight into the challenges and opportunities facing modern slurry and nutrient management.

WHY *SLURRY LIVE*

03

WHY NOW?

The slurry management sector has never been more important.

Key industry drivers include:

- 🌀 Nutrient management
- 🌀 Environmental regulations
- 🌀 Water quality
- 🌀 Storage requirements
- 🌀 Farm safety
- 🌀 Technology adoption
- 🌀 Farm profitability
- 🌀 Future policy changes

Slurry Live has been created to provide a dedicated platform for these critical conversations.
